CASE NO. 09-20206

CHAPTER 11

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND
DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENT OF FINANCIAL
AFFAIRS**

The *Schedule of Assets and Liabilities* and *Statement of Financial Affairs* (the "Schedules" and "Statement," respectively) filed by the above-referenced debtor and debtor in possession (the "Debtor"), in the United States Bankruptcy Court for the Southern District of Texas (the "Bankruptcy Court"), were prepared by the Debtor's management, with the assistance of the Debtor's personnel, pursuant to 11 U.S.C. § 521 and Federal Rule of Bankruptcy Procedure 1007 and are unaudited. Subsequent information may result in material changes in financial and other data contained in each of their Schedules and Statement. The Debtor reserves its right to amend its Schedules and Statement from time to time as may be necessary or appropriate. These *Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding Debtor's Schedules and Statement of Financial Affairs* (the "Global Notes") are incorporated by reference in, and comprise an integral part of the Schedules and Statement, and should be referred to and reviewed in connection with any review of the Schedules and Statement.

1. **Case.** On April 3, 2009 (the "Petition Date"), an involuntary petition for relief was filed against the Debtor under chapter 7 of the Bankruptcy Code in the Bankruptcy Court. The Debtor consented to the entry of an order for relief and the case has now been converted to a case under chapter 11.
2. **Amendments.** The Debtor reserves the right to amend the Schedules and Statement in all respects at any time as may be necessary or appropriate, including without limitation, (a) to assert offsets or defenses to any claim, (b) to amend the amount, liability, or classification of any claim, or (c) to otherwise designate any claim as contingent, unliquidated or disputed. Any failure to designate a claim as contingent, unliquidated, or disputed does not constitute an admission by the Debtor that such claim is not contingent, unliquidated, or disputed.
3. **Estimates and Assumptions.** The preparation of the Schedules and Statement required the Debtor to make estimates and assumptions with respect to the reported amounts of assets and liabilities, the value of contingent assets and liabilities, and the reported amounts of revenues and expenses during the applicable reporting periods. Actual results could differ from those estimates.
4. **GAAP.** Given the difference between the financial information requested in the Schedules and Statement and used under generally accepted accounting principles in the United States ("GAAP"), the aggregate asset values and claim amounts set forth in the Schedules and Statement may not reflect the amounts that would be set forth in a balance sheet prepared in accordance with GAAP.
5. **Causes of Action.** The Debtor reserves all of its causes of action. Furthermore, nothing contained in the

Schedules and Statement shall constitute a waiver of any claim or cause of action that may be asserted, including equitable subordination, causes of action arising under chapter 5 of the Bankruptcy Code, and any other causes of action arising in this chapter 11 case or under applicable non-bankruptcy law.

6. **Insiders.** Where the Schedules or Statement require information concerning officers, directors or insiders, included therein are the Debtor's (a) directors (or persons in similar positions) and (b) employees that are, or were during the relevant period, officers (or persons in control). Employees may have been included in this disclosure for informational purposes only and are not necessarily "insiders" as defined in § 101(31) or as otherwise defined by applicable law, including without limitation, any state or federal securities law. The listing of a party as an insider is not intended to be nor should it be construed as a legal characterization of such party as an insider, nor should it be construed as an admission that such party is an insider, all such rights, claims, and defenses being expressly reserved.
7. **Categories or Labels Used in Schedules and Statement.** Information requested by the Schedules and Statement require the Debtor to make judgments regarding the appropriate category in which information should be presented or how certain parties, claims or other data should be labeled. The Debtor's decisions regarding the category or label to use is based on the best information available as of the filing of these Schedules and Statement and within the time constraints imposed. The Debtor reserves the right to modify, change, or delete any information in the Schedules and Statement by amendment, including to the extent some information currently presented should be moved to a different category or labeled in a different way.
8. **Summary of Significant Reporting Policies and Practices.** The following conventions were adopted by the Debtor in preparing the Schedules and Statement:
 - a. **Fair Market Value; Book Value.** For the preparation of these Schedules and Statement, it would be prohibitively expensive, unduly burdensome, and time consuming to obtain current market valuations of all of the Debtor's property interests. Accordingly, each asset and liability of the Debtor is shown on the basis of the net book value of the asset or liability in accordance with the Debtor's accounting or tax books and records as of the Petition Date. As applicable, assets that have been fully depreciated or were expensed for accounting purposes have no net book value. Unless otherwise noted, the Schedules reflect the net book value of the liabilities as listed in the Debtor's books and records, and are not based upon any estimate of their current market values, which may not correspond to book value. For this reason, amounts ultimately realized may vary from net book value and such variances may be material. The Debtor expressly reserves all rights with respect to valuations during this Bankruptcy Case.
 - b. **Leased Real and Personal Property.** In the ordinary course of its business, the Debtor leases real and personal property, including furniture, fixtures and equipment, from certain third-party lessors. Nothing in the Schedules or Statement is or shall be construed as an admission or determination as to legal status of any lease (*e.g.*, as a true lease or financing arrangement), and the Debtor reserves all rights with respect to such issues.
 - c. **Claims.** The Schedules and Statement generally identify parties holding claims existing as of the Petition Date. When possible, the Debtor has attempted to identify claims that arose after the Petition Date.
 - d. **Disputed, Contingent and Unliquidated Claims.** The Debtor may designate certain claims on Schedules D, E and F as disputed, contingent and/or unliquidated, as applicable. Any failure to designate a claim on the Schedules and Statement as disputed, contingent, and/or unliquidated does

not constitute an admission that such claim is undisputed, noncontingent and/or liquidated, as applicable. The Debtor reserves the right to dispute, or assert offsets or defenses to, any claim reflected on the Schedules and Statement as to amount, liability, or status.

9. Summary of Significant "Schedules" Conventions. The following conventions were adopted by the Debtor in preparation of the Schedules:
 - a. Schedule A: In accordance with the proposed Rules for Complex Chapter 11 Cases Involving Debtors Engaged in Drilling, Exploration, Development and/or Operation of Oil, Gas, and Mineral Properties, all hydrocarbon leases are listed on Schedule A, regardless of whether such lease is considered an executory contract, versus an interest in real property, in the relevant jurisdiction. Moreover, the Debtor's surface use agreements related to such leases are also listed on Schedule A. The Debtor's listing of such leases and agreements on Schedule A is not indicative of whether the Debtor considers such leases and agreements unexpired leases or executory contracts.
 - c. Schedule B16. The Debtor maintains a consolidated cash management system, whereby all funds flow up and through BNP Petroleum Corporation in the ordinary course of business. These transfers to, and payments by, BNP Petroleum Corporation create intercompany receivables, a detailed list of which would be unduly burdensome and cost prohibitive to provide. Intercompany payables and receivables are provided in the relevant Schedules.
 - d. Schedule D. Except as otherwise agreed pursuant to a stipulation or order entered by the Bankruptcy Court, the Debtor reserves its rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of the Debtor. Moreover, except as otherwise agreed pursuant to a stipulation or order entered by the Bankruptcy Court, the Debtor reserves all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including without limitation, any intercompany agreement) related to such creditor's claim. In certain instances, the Debtor may be a co-obligor or guarantor with respect to scheduled claims of other entities, and no claim set forth on Schedule D of the Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only to be a summary, and reference should be made to the applicable loan agreements and related documents for a complete description of any collateral and corresponding liens or security interests. Nothing in the Global Notes or the Schedules and Statement shall be deemed a modification or interpretation of the terms of such agreements. The Debtor has not included on Schedule D any creditor who may assert an interest in property of the estate by way of setoff rights, deposits posted by or on behalf of the Debtor, or inchoate statutory lien rights. Any such creditors may, however, be listed on Schedule F.
 - e. Schedule E. The listing of any claim on Schedule E does not constitute an admission by the Debtor that such claim is entitled to priority treatment under 11 U.S.C. § 507. Such claims remain subject to further review and verification.
 - f. Schedule F. FAS No. 143 requires that the Debtor track Asset Retirement Obligations, which, in this case, is an estimate of plugging and abandonment liabilities for all wells. Because this potential liability is not tracked by individual creditors, it is listed in bulk on Schedule F under the heading "Asset Retirement Obligations." No Asset Retirement Obligation set forth on Schedule F is intended to acknowledge claims that are otherwise satisfied or discharged by other entities.

- g. Schedule G. While reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions, or over-inclusions may have occurred. Listing a contract or lease on Schedule G does not constitute an admission that such contract or lease is an executory contract or unexpired lease or that such contract or lease was in effect on the Petition Date or is valid or enforceable. Any and all of the Debtor's rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G are hereby reserved. In addition, the Debtor may have entered into various other types of agreements in the ordinary course of business, such as supplemental agreements, amendments/letter agreements, and confidentiality agreements. Such documents may not be set forth in Schedule G. The Debtor reserves all rights to dispute or challenge the characterization of the structure of any transaction or any document or instrument related to a creditor's claim. Omission of a contract or lease from Schedule G does not constitute an admission that such omitted contract or lease is not an executory contract or unexpired lease. The Debtor's rights under the Bankruptcy Code with respect to any such omitted contracts or leases are not impaired by the omission.
10. General Disclaimer. While those members of management responsible for the preparation of the Schedules and Statement have made good faith and reasonable efforts to ensure that the Schedules and Statement are accurate and complete based on information known to them at the time of preparation after reasonable inquiries, inadvertent errors may exist or the subsequent receipt of information may result in material changes in financial and other data contained in the Schedules and Statement that may warrant amendment of the same. Moreover, because the Schedules and Statement contain unaudited information that is subject to further review and potential adjustment, there can be no assurance that the Schedules and Statement are complete or accurate.

(if known)**STATEMENT OF FINANCIAL AFFAIRS**

This statement is to be completed by every debtor. Spouses filing a joint petition may file a single statement on which the information for both spouses is combined. If the case is filed under chapter 12 or chapter 13, a married debtor must furnish information for both spouses whether or not a joint petition is filed, unless the spouses are separated and a joint petition is not filed. An individual debtor engaged in business as a sole proprietor, partner, family farmer, or self-employed professional, should provide the information requested on this statement concerning all such activities as well as the individual's personal affairs. To indicate payments, transfers and the like to minor children, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m).
